Bring the horses! Welcome to this stunning all brick custom rancher situated on an elevated lot of just under 4 acres with AMAZING views! Owners have updated the entire home and all systems over the last few years.

Featuring 4 bedrooms, 2.5 bathrooms, and an oversized laundry room with dog washing area! The circle driveway and a pass through garage add to the convenience and functionality of this well thought out home.

Inside you will find hardwood floors throughout, fresh neutral paint, updated kitchen and bathrooms, an abundance of natural light, and more! Finished lower level features room to entertain and a wet bar! Owners have utilized the entire property for animals.

Featuring a converted carport off of the detached garage with 2 rubber matted horse stalls with fans with paddock area.

Detached garage also features 220A electric, and a plug in for your RV!

Property is fully fenced and features 2 additional pastures out front.

The chicken coop even has electric and exhaust fans.

Entertain on the large deck and cool off in the above ground pool! The beautiful flourishing landscaping (in-season), a fruit bearing tree, tree lined driveway, and Baugher's Orchard directly behind you add to the privacy and serenity this beautiful property has to offer! Come see for yourself! Work from home? No problem! This property has its own dedicated Comcast business "node" (offering commercial grade bandwidth!) Seller has found home of choice and this one is priced to sell!.
