Fabulous mid-century single level in Midtown now available! This house has been well maintained and cared for.

Functional ranch floor plan.

Two living spaces.

3 bed 2 bath 1682 sqft.

with so much potential on a mature.

31 acre lot.

Not your average cookie cutter with room for some sweat equity.

Situated beneath the ponderosa pines, this old Bend neighborhood is a highly sought after gem.

If you been waiting for that larger lot with room for your RV or boat do not dally.

With the extra deep driveway you have room for that and more.

Smaller rv/storage to the back with an additional single garage that provides multiple uses.

No HOA or CC & R's, there is even a central vacuum and full size walk in fridge in the garage fabulous for the avid hunter.

Huge opportunity to own you very own mid-century in Midtown!.
