Offering inviting spaces to gather and privacy just where you need it, the Stafford is built for every occasion.

On the main floor, the dining room leads into a large, open great room, nook, and kitchen.

Complete with well-arranged appliances, ample counter space, cabinets, and a pantry for storage, theres much to enjoy.

A full bathroom and a bedroom off entry finish off the main floor before heading upstairs.

There youll find four more bedrooms, three with walk-in closets, a full bathroom, and a laundry room.

Highlighting the upper floor, is the larger-than-life primary suite, with a five-piece private bathroom and walk-in closet to complement.
