You deserve a new home for the upcoming year! Step inside this beautifully updated ranch home with its modern touches.

Greeted by lustrous hardwood floors throughout, an open-concept living room and dining room combo, and custom-built kitchen cabinetry with center island, quartz countertops, and stainless appliances.

This kitchen is designed for entertaining and everyday living.

Slider off the kitchen leading to crafty composite decking to sit and look at the stars.

The owner's suite is inviting with vaulted ceilings, ample windows for natural sunlight with a walk-in closet leading to your primary bath with beautiful tiles and standup shower.

2 additional great size bedrooms with mirrored closet doors.

The main bath is also beautifully tiled and includes vanity with attached storage unit.

The entertainment continues to the finished basement to be customized to your needs.

Everything is brand new and ready to welcome it's new owners.

Minutes to Wrentham Village.

Don't miss out!.
