Perfect for first-time and seasoned investors alike, this exceptional 3-unit multifamily property is located in a rapidly developing neighborhood.

Each unit is uniquely designed to maximize rental potential, featuring 4 bedrooms and 1 bathroom with the added benefit of individual furnaces, water heaters, and in-unit washer and dryer connections.

Renovated in 2022, this property is positioned to provide excellent income generation while offering tenants comfort and convenience.

Enjoy easy access to transportation routes, including Route 66 and the Metro Pink Line, making it a prime location for renters.

Don't miss out on this chance to optimize your real estate portfolio with a property ready to deliver maximum rental income!.
