This lovely home contains both nice updates, such as the stylish kitchen, and original charm-seen in the lovely wood floors.

These charming features are seen throughout the large living room areas on the middle floors, the three bedrooms, two full bathrooms, and the stylish kitchen.

The property's enjoyable characteristic continues in the exterior with an in-ground pool and nice yard area.

From a maintenance perspective this home boasts a recently replaced roof and water heater.

All of this in a quiet neighborhood.

Come see it today!.
