Come experience luxury casita living at its best at Lot 28.

The large paved pad accommodates any size coach with ease, while a pathway winds around the casita, leading to a cozy fire pit and seating area.

Surrounded by swaying palm trees and tranquil water views, this outdoor space is the perfect spot to unwind.

Step inside to a welcoming screened lanai complete with a hot tub and a gas fireplace with seating.

Motorized Kevlar hurricane screens add comfort and protection, seamlessly blending the lanai with the main living area.

Designed with both style and function in mind, the kitchen boasts a gas stove, built-in oven, microwave, dishwasher, and a French-door refrigerator.

The granite-topped island with barstool seating serves as a centerpiece for entertaining.

With 764 air-conditioned square feet, this thoughtfully designed casita offers everything you need for a luxurious retreat.

The spacious bedroom opens through elegant French doors to stunning water views and the main living area.

An indulgent bathroom awaits, complete with a walk-in shower, impeccable finishes, and room to relax.

A dedicated laundry room with a washer, dryer, farm sink, and custom cabinetry ensures practical convenience.

For additional storage, the golf cart garage features a roll-down door and built-in overhead space.
