Has country living been calling your name? If so, you have to check out this home! Sitting on over 7 acres and on blacktop, this beautiful home has so much to offer inside and out! The inside features an open concept that encompasses the living room, kitchen, and dining room! It has 4 bedrooms and 2 bathrooms! You can enjoy the country fresh air, while sitting on the deck! The backyard is fenced; making a perfect place for kids and pets to play safely! There is a storage shed in the fenced in yard.

Wait there is more! The property includes a 40 x 72 shop with 6" thick floors and has two overhead doors.

Inside the shop there is a heated office area and a 1/2 bath!.
