Beautiful custom home located in the desirable west El Paso gated community of Laguna Meadows.

More information at QR link in photos.

As you enter the gates of this exclusive community you are greeted by the community park, ponds, fountains, and gazebo.

Built in 2011, your new Energy Star Certified home sits on a quiet, private yet sizable 12,370 sqft.

lot.

Upon entering the home the foyer invites you in to a large, open concept floor plan that flows comfortably into two living areas and a well planned, Gourmet style kitchen and breakfast area which boasts a huge island and wine cellar.

Each of the three bedrooms comes with their own full bath.

The owner recently updated the exterior stucco and fully painted the interior of the home.

Lighting throughout the house is controlled by a smart connection which allows you to turn all lights on, off, dim them, or change colors, by voice command.

Make this lovely home your comfortable, luxurious, haven in the desert today!.
